Dear friends,

The Brahma-Cochin Club Romania, as the organizer of the European Exhibition of Brahma and Cochinchina (large and bantams), is delighted to extend an invitation to participate in this important event for breeders across Europe.

The exhibition, held under the auspices of the Entente Européenne, will take place from November 8th to 10th, 2024, in Fagaras, Romania. It will provide a good opportunity to establish new connections among breeders and engage in discussions about these wonderful breeds.

Please promote this event within your club and encourage your members to participate in this European event. We hope for a fruitful collaboration throughout 2024, beneficial to both our clubs and their members.

Details regarding the exhibition's schedule and participation conditions will be provided in January 2024.

In conclusion, considering that we are at the threshold of a new year, we wish you good health, professional success, and fulfillment in your hobby and the club you lead.

Happy New Year !
